Be a Riders Event Sponsor Today!

MN VFW Riders Statewide Passport Run

in celebration of the

VFW Department of Minnesota's Centennial Anniversary

May 1 to September 1, 2021

The MN VFW Riders are sponsoring a self-guided motorcycle run visiting VFW Posts throughout the state of Minnesota during the summer of 2021. Motorcycle riders from around the state will be stopping at participating Posts to complete their passport and enter the prize drawing.

Posts must apply to be a stop. After the stop fee of \$20 is received, the Post is assigned a custom self-inking rubber stamp to use during the event to endorse visitors' passports.

When a Post applies to be a ride stop, they must include an address, schedule, and instructions for how/when a rider can get their card stamped. Posts are responsible for having staff or volunteers available during the event to endorse the rider's passport.

We encourage stops to run specials/advertise incentives for participants.

Riders will complete a liability waiver that indemnifies the VFW at all levels (including the individual Posts) to participate.

Every participating rider will receive a list of all Post stops, but not every rider will be required to visit every Post to complete their passport.

The Deadline to apply to be a stop:

March 31, 2021!

For questions or to register as a stop contact:

Jon Durst jondurst4vfwriders@gmail.com

Checks can be made and sent to

Department of Minnesota VFW
